Docketing Case No.: 10-0176-EL-ATA

Notes: I cannot believe this. We have lived in our house for almost 2.5 years (since September 2007) and my electric bill is sky high. There are only 3 out of 24 houses on this street including myself that are being excluded from the all electric house temporary relief. How do you think it's fair that January 1, 2007 is the date to use? UNFAIR RATES, ARE JUST THAT, UNFAIR. It means we can't afford it REGARDLESS, if i moved here on December 31, 2006, or 9 months later.

Please include me in the emergency ruling reinstating all electric rates as I have been left out due to taking possession of my house after January 1, 2007. Please file this in the docket for Case No. 10-176-EL-ATA .

Please docket the attached in the case number above.
