Docketing Case No.: 10-0176-EL-ATA

Notes: Case number 10-0176 July 2007, We purchased our Electric home, we were told by First Energy- Ohio edison they no longer give discounted rates to home owners with all Electric homes.

Why are we not included in the discounted rates all Electric Homes owners receive? Why are we being penalized and have to pay the higher rate? I am sure there are other home owners with Electric homes that are not receiving these discounted rates, because they were informed the program is no longer available. WHY aren't ALL ELECTRIC HOMES OWNERS GIVEN THE SAME RATE?

Please docket the attached in the case number above.
