Docketing Case No.: 10-0176-EL-ATA

Notes: I purchased my home at 19589 Applebrook Circle in August of 1995. At that time, not being familiar with all Electric homes and Load Management, I contacted the Illuminating Company. I was explained the Load Management and the Discount that is applied and I was told the discount WILL CONTINUED TO BE APPLIED AS LONG AS I LIVED IN MY HOME. Over the last few months and especially during the winter months of the 2009-2010 winter my bills have TRIPLED!!! What were you all thinking allowing the electric company to double and triple our bills!!!

I demand my rates are restored and the promise to continue to be applied as long as I live in my home to be kept.

I WOULD HAVE NEVER PURCHASED an all Electric home if I knew I wouldn't get the discount. The new rates are insane!!!!!!!!!!!!
