Docketing Case No.: 10-0176-EL-ATA

Notes: In 2007 I moved from an all electric home in which I was receiving the credit for having an all electric home, to an all electric condo in which I was not given the all electric home credit. I was told it was because the credit was not available for the new owner (me) as the credit was being phased out. Under the new ruling, will I be eligible to receive the re-instated all electric home credit?  
I appreciate your efforts and look forward to your response.  
Thank you, Anne Speck
