Docketing Case No.: 10-0176-EL-ATA

Notes: With the decision to restore the all electric discount, how soon will this be implemented? Will there be a retro-active adjustment for overpayment? Does the utility get to keep the interest on all of the extra money they are collecting? Can the utility disconnect service due to non-payment of the overcharging? Whatever the time frame is for all of this needs to be shared with the public as soon as possible. Thank you
