COMPLAINT DESCRIPTION:

Please know that I want to be included in the emergency PUCO ruling reinstating all-electric rates. I may have been left out due to the load management rates that have also been discontinued. Some time ago, after advertizing by CEI, I purchased a demand meter system, for around \$1400. This system is now worthless to me without the load management discount! Please file this in the docket for Case No. 10-176-EL-ATA.
