RECEIVED-DOCKETING DIV

As a customer of Aqua Ohio my father and I are against the increase of 80% requested by Aqua Ohio in their rates.

80% increase is ridiculous! Some increase is okay because everything is more expensive to run: but not 80%.

As a family on a fixed income we did not get an increase in our Social Security this year.

This amount of increase will be a hardship on my and my fathers family household.

Please do not grant them the 80% increase
