Docketing Case No.: 10-0176-EL-ATA

Notes: I own an all electric home and am writing to support reinstating the discount: Case No. 10-176-EL-ATA. The following need to be done as a permanent solution regarding the all-electric home discount:

1) A permanent, all-electric rate differential/discount for nine months of the year for generation and distribution. 2) The all-electric discount must be attached to the HOME and not the OWNER. 3) The all-electric discount must be given to EVERY all-electric HOME. 4) The discounted rates made to load management and water heating customers must also be honored. 5) First Energy MUST NOT raise the rates of other customers to pay for the all-electric, load management, and water heating discounts. 6) Overcharges made by First Energy between May 2009 and March 2010 must be refunded in full.

At the end of 2009 I owed a difference of \$500. My first bill in January, 2010 I owed a difference of \$300. In one month I owed a difference that was 60% of the entire previous 12 months.

Please docket the attached in the case number above.
