Docketing Case No.: 10-0388-EL-SSO

Notes:

I am opposed to the rate increase request for case# 10-0388.

It is unreasonable and will put the area at a distance disadvantage now and in the future by raising electric rates to levels well beyond other regions in the US.

First Energy has already asked for 137 million previously. This additional amount will only place this region at considerable hardship and make us one of the most uncompetitive areas in the country

Please docket the attached in the case number above.
