COMPLAINT DESCRIPTION:

Again, I am requesting that First Energy restore my original All Electric Home discount promised to me in 1976. I have been told a temporary discount will be in place, this is not what was agreed on in 1976.

Regarding Case #10-0388, First Energy is requesting \$390 million increase in distribution charges. When is this going to stop? Will you purchase my house knowing darn well THAT YOUR UTILITY BILL WILL BE AS LARGE AS YOUR MORTGAGE?

Please help put a stop to First Energies requests for increases. I had to purchase a generator because my electricity is always out in the summertime. Is this fair???

Thank you for your attention.
