Docketing Case No: 10-388-EL-SSO

Notes: I am against First Energy's request for increased Distribution rates of 390 million. It is totally unacceptable based upon their recent filing of 109 million. We are totally being gouged by First Energy. I wish to have this complaint filed under case number 10-0388. Also I wish to complain about First Energy's Lack of coming up with a viable plan to INCLUDE ALL HOMES WHICH ARE ALL ELECTRIC HOMES, such as mine which I moved into in 2009. My Bill for January was 880.00 and the following month was 340.00 both unacceptable for those of us who are struggling to make ends meet.

Please docket the attached in the case number above.
