Docketing Case No.:10-388-EL-SSO

Notes:

This complaint is in reference to the Distribution rate increase presently being requested by First Energy in Case No. 10-0388. This audacious request for more than twice the amount of money that First Energy was granted only 14 months ago is nothing less than an attempted rape of the already overtaxed pocketbooks of a captive group of consumers who have no alternative source for power. I am categorically opposed to this increase in any way, shape or form, and insist that this request be denied.
