Notes:

Please docket the following in the case number above. Thank you.

COMPLAINT DESCRIPTION:

We recently purchased this home. It's all electric. But we were told there is no discount for a all electric home anymore. Our last electric bill was higher than our house payment! We didn't figure in outrageous electric bills when we budgeted for this home. As of now we cannot afford to live here with the electric rates so high. Yet, our neighbor with a house twice the size of ours, all electric also, is only paying half of what we are. Ohio edison offered no help for us.
