Docketing Case No.: 10-0176-EL-ATA

Notes: Please do not allow First Energy another rate increase. Refer to the official Case No. 10-176-EL-ATA. I believe that there are six points that need to be honored in that case. 1. a permanent all-electric discount for 9 months of the year for all-electric residential customers 2. all-electric discount be attached to the home not the owner 3.all-electric discount be given to every all-electric home 4. discounted rates mad to load management and water heating customers 5. First Energy must not raise rates of other customers to pay for all-electric discounts and 6. overcharges by First Energy between May 2009 and March 2010 be refunded. You are the Public Utilities commission, support the public not the corporation.

Please docket the attached in the case number above.
