**Re: Ohio Power Siting Board Application of Heartland Wind Energy LLC
For a Certificate to Site a Wind-Powered Electric Generation Facility
in Paulding and Van Wert Counties, Ohio
Case No. 09-1066-EL-BGN**

Dear Messrs Zuber, Crosby and Noggle:

Enclosed please find a copy of an Application Supplement to the Application for a Certificate to Site a Wind-Powered Electric Generation Facility in the counties of Paulding and Van Wert, Ohio for a 350 megawatt (MW) wind-powered electric generation facility in Paulding and Van Wert Counties (the Blue Creek Wind Farm) that was sent to you on February 19, 2010. Also enclosed is a copy of the revised newspaper notice which sets forth new hearing dates of June 8 2010 for the local public and June 17, 2010 for the adjudicatory hearing.

As noted in the prior letter, you may access all the filings in this case at the PUCO website at <http://www.puc.state.oh.us/> and then clicking on "DIS" on the left hand column of the homepage; once the Docket Information System screen appears, type the case number for the Heartland Wind Energy Application, Case No. 09-1066-EL-BGN, and follow the instructions to retrieve copies of filings.

Please be informed that if you wish to intervene in the proceedings regarding the above-captioned application you may file a notice of intervention with the Ohio Power Siting Board within thirty (30) days of being served a copy of this Application Supplement. The address and telephone number of the Ohio Power Siting Board are: 180 East Broad Street, Columbus, Ohio 43215; 866-270-6772. Please include the application name and case number (given above).

Pursuant to O.A.C. Rule 4906-5-08(C)(3), the applicant is required to submit to you the name and address of each property owner and/or affected tenant within the planned project area, each contiguous property owner to the planned project area, and each property owner who may be approached by Heartland Wind Energy LLC for any additional easement necessary for the construction, operation or maintenance of the wind-powered electric generation facility.

REVISED

Notice of Proposed Major Utility Facility (Wind Farm)

FACILITY DESCRIPTION

Heartland Wind Energy LLC, whose sole member and manager is Iberdrola Renewables, Inc. has an application pending before the Ohio Power Siting Board in Case No. 09-1066-EL-BGN. Its application that has been supplemented, it proposes to construct, own and operate up to 350 megawatts (MW) in nameplate capacity of wind-powered electric generation located in Van Wert and Paulding Counties, Ohio (the "Blue Creek Wind Farm"); more specifically, within an approximately 40,000-acre area in Benton, Blue Creek and Latty townships in Paulding County as well as Tully, Union, and Hoaglin townships in Van Wert County. The general purpose of the project is to produce clean, renewable, reliably priced, low cost electricity to the Ohio electric marketplace, and bring dozens of new jobs to Van Wert and Paulding Counties and the surrounding area. The application supplement includes the proposed locations of turbine sites that have been changed since the filing of the application and information related to them. The map below reflects the turbine sites in the application supplement.

LOCATION AND GENERAL LAYOUT

The general location and planned project layout of the Blue Creek Wind Farm is shown on the map below.

OHIO POWER SITING BOARD APPLICATION REVIEW CRITERIA

Pursuant to Ohio Revised Code Section 4906.10(A) the Ohio Power Siting Board shall not grant a certificate for the construction, operation, and maintenance of a major utility facility, either as proposed or as modified by the Board, unless it finds and determines all of the following: (1) The basis of the need for the facility; (2) The nature of the probable environmental impact; (3) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives, and other pertinent considerations; (4) In the case of an electric transmission line, that the facility is consistent with regional plans for expansion of the electric power grid of the electric systems serving this state and interconnected utility systems and that the facility will serve the interests of electric system economy and reliability; (5) That the facility will comply with Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under those chapters and under Sections 1501.33, 1501.34, and 4561.32 of the Revised Code. In determining whether the facility will comply with all rules and standards adopted under Section 4561.32 of the Revised Code, the board shall consult with the office of aviation of the division of multi-modal planning and programs of the department of transportation under Section 4561.341 of the Revised Code; (6) That the facility will serve the public interest, convenience, and necessity; (7) In addition to the provisions contained in divisions (A)(1) to (6) of this section and rules adopted under those divisions, what its impact will be on the viability as agricultural land of any land in an existing agricultural district established under Chapter 929 of the Revised Code that is located within the site and alternative site of the proposed major utility facility; rules adopted to evaluate impact under Division (A)(7) of this section shall not require the compilation, creation, submission, or production of any information, document, or other data pertaining to land not located within the site and alternative site; and (8) That the facility incorporates maximum feasible water conservation

practices as determined by the board, considering available technology and the nature and economics of the various alternatives.

STATEMENT PURSUANT TO OHIO REVISED CODE SECTION 4906.07

Upon the receipt of an application complying with Section 4906.06 of the Revised Code, the Ohio Power Siting Board shall promptly fix a date for a public hearing thereon, not less than sixty nor more than ninety days after such receipt, and shall conclude the proceeding as expeditiously as practicable. The public hearing for this case shall consist of two parts:

- (1) A local public hearing, pursuant to Section 4906.08(C), Revised Code, where the Board shall accept written or oral testimony from any person. The **REVISED LOCAL PUBLIC HEARING DATE** has been rescheduled from May 18, 2010 to **June 8, 2010**, at 5:00 p.m., at the Crestview School, 531 East Tully Street, Convoy, Ohio 45832; and,
- (2) The **REVISED DATE** for the adjudicatory hearing has been rescheduled from June 2, 2010 to **June 17, 2010**, at 10:00 a.m., at the offices of the Public Utilities Commission of Ohio, 11th Floor Hearing Room D, 180 East Broad Street, Columbus, Ohio 43215-3793.

The chairman of the Ohio Power Siting Board shall cause each application filed with the Ohio Power Siting Board to be investigated and shall, not less than fifteen days prior to the date any application is set for hearing, submit a written report to the Ohio Power Siting Board and to the applicant. A copy of such report shall be made available to any person upon request. Such report shall set forth the nature of the investigation, and the report shall contain recommended findings with regard to division (A) of Section 4906.10 of the Revised Code and shall become part of the record and served upon all parties to the proceeding.

STATEMENT OF OHIO REVISED CODE SECTION 4906.08(C)

The Ohio Power Siting Board shall accept written or oral testimony from any person at the public hearing, but the right to call and examine witnesses shall be reserved for parties. However, the Board may adopt rules to exclude repetitive, immaterial, or irrelevant testimony.

Petitions to intervene in the adjudicatory hearing will be accepted by the Board up to thirty (30) days following the publication of this notice required by Rule 4906-5-08(C)(1), O.A.C., or later if good cause is shown. However, the Board strongly encourages interested persons who wish to intervene in the adjudicatory hearing to file their petitions as soon as possible. Petitions should be addressed to the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 and cite Case No. 09-1066-EL-BGN.

**Re: Ohio Power Siting Board Application of Heartland Wind Energy LLC
For a Certificate to Site a Wind-Powered Electric Generation Facility
in Paulding and Van Wert Counties, Ohio
Case No. 09-1066-EL-BGN**

Dear Librarians:

Enclosed please find an Application Supplement to the Application for a Certificate to Site a Wind-Powered Electric Generation Facility in the counties of Paulding and Van Wert, Ohio for a 350 megawatt (MW) wind-powered electric generation facility in Paulding and Van Wert Counties (the Blue Creek Wind Farm) that was sent to you on February 19, 2010. Also enclosed is a copy of the revised newspaper notice which sets forth new hearing dates of June 8 2010 for the local public and June 17, 2010 for the adjudicatory hearing.

As noted in the prior letter, you may access all the filings in this case at the PUCO website at <http://www.puc.state.oh.us/> and then clicking on "DIS" on the left hand column of the homepage; once the Docket Information System screen appears, type the case number for the Heartland Wind Energy Application, Case No. 09-1066-EL-BGN, and follow the instructions to retrieve copies of filings.

If you have any questions, you may contact Dan Litchfield of Heartland Wind Energy LLC at 847-241-1364 or dlitchfield@iberdrolausa.com.

Sincerely,

Sally W. Bloomfield

REVISED

Notice of Proposed Major Utility Facility (Wind Farm)

FACILITY DESCRIPTION

Heartland Wind Energy LLC, whose sole member and manager is Iberdrola Renewables, Inc. has an application pending before the Ohio Power Siting Board in Case No. 09-1066-EL-BGN. Its application that has been supplemented, it proposes to construct, own and operate up to 350 megawatts (MW) in nameplate capacity of wind-powered electric generation located in Van Wert and Paulding Counties, Ohio (the "Blue Creek Wind Farm"); more specifically, within an approximately 40,000-acre area in Benton, Blue Creek and Latty townships in Paulding County as well as Tully, Union, and Hoaglin townships in Van Wert County. The general purpose of the project is to produce clean, renewable, reliably priced, low cost electricity to the Ohio electric marketplace, and bring dozens of new jobs to Van Wert and Paulding Counties and the surrounding area. The application supplement includes the proposed locations of turbine sites that have been changed since the filing of the application and information related to them. The map below reflects the turbine sites in the application supplement.

LOCATION AND GENERAL LAYOUT

The general location and planned project layout of the Blue Creek Wind Farm is shown on the map below.

OHIO POWER SITING BOARD APPLICATION REVIEW CRITERIA

Pursuant to Ohio Revised Code Section 4906.10(A) the Ohio Power Siting Board shall not grant a certificate for the construction, operation, and maintenance of a major utility facility, either as proposed or as modified by the Board, unless it finds and determines all of the following: (1) The basis of the need for the facility; (2) The nature of the probable environmental impact; (3) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives, and other pertinent considerations; (4) In the case of an electric transmission line, that the facility is consistent with regional plans for expansion of the electric power grid of the electric systems serving this state and interconnected utility systems and that the facility will serve the interests of electric system economy and reliability; (5) That the facility will comply with Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under those chapters and under Sections 1501.33, 1501.34, and 4561.32 of the Revised Code. In determining whether the facility will comply with all rules and standards adopted under Section 4561.32 of the Revised Code, the board shall consult with the office of aviation of the division of multi-modal planning and programs of the department of transportation under Section 4561.341 of the Revised Code; (6) That the facility will serve the public interest, convenience, and necessity; (7) In addition to the provisions contained in divisions (A)(1) to (6) of this section and rules adopted under those divisions, what its impact will be on the viability as agricultural land of any land in an existing agricultural district established under Chapter 929 of the Revised Code that is located within the site and alternative site of the proposed major utility facility; rules adopted to evaluate impact under Division (A)(7) of this section shall not require the compilation, creation, submission, or production of any information, document, or other data pertaining to land not located within the site and alternative site; and (8) That the facility incorporates maximum feasible water conservation

practices as determined by the board, considering available technology and the nature and economics of the various alternatives.

STATEMENT PURSUANT TO OHIO REVISED CODE SECTION 4906.07

Upon the receipt of an application complying with Section 4906.06 of the Revised Code, the Ohio Power Siting Board shall promptly fix a date for a public hearing thereon, not less than sixty nor more than ninety days after such receipt, and shall conclude the proceeding as expeditiously as practicable. The public hearing for this case shall consist of two parts:

- (1) A local public hearing, pursuant to Section 4906.08(C), Revised Code, where the Board shall accept written or oral testimony from any person. The **REVISED LOCAL PUBLIC HEARING DATE** has been rescheduled from May 18, 2010 to **June 8, 2010**, at 5:00 p.m., at the Crestview School, 531 East Tully Street, Convoy, Ohio 45832; and,
- (2) The **REVISED DATE** for the adjudicatory hearing has been rescheduled from June 2, 2010 to **June 17, 2010**, at 10:00 a.m., at the offices of the Public Utilities Commission of Ohio, 11th Floor Hearing Room D, 180 East Broad Street, Columbus, Ohio 43215-3793.

The chairman of the Ohio Power Siting Board shall cause each application filed with the Ohio Power Siting Board to be investigated and shall, not less than fifteen days prior to the date any application is set for hearing, submit a written report to the Ohio Power Siting Board and to the applicant. A copy of such report shall be made available to any person upon request. Such report shall set forth the nature of the investigation, and the report shall contain recommended findings with regard to division (A) of Section 4906.10 of the Revised Code and shall become part of the record and served upon all parties to the proceeding.

STATEMENT OF OHIO REVISED CODE SECTION 4906.08(C)

The Ohio Power Siting Board shall accept written or oral testimony from any person at the public hearing, but the right to call and examine witnesses shall be reserved for parties. However, the Board may adopt rules to exclude repetitive, immaterial, or irrelevant testimony.

Petitions to intervene in the adjudicatory hearing will be accepted by the Board up to thirty (30) days following the publication of this notice required by Rule 4906-5-08(C)(1), O.A.C., or later if good cause is shown. However, the Board strongly encourages interested persons who wish to intervene in the adjudicatory hearing to file their petitions as soon as possible. Petitions should be addressed to the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 and cite Case No. 09-1066-EL-BGN.
