Could you folks clear this up for me. Our Electric bill shows our service provider is "First Energy Solutions Corp".

It is my understanding that Ohio Edison owns in some part the First Energy Solutions Corp. As there are now two profit centers which increased our bill.

In Sundays Plain Dealer there is an article saying FIRST ENERGY wants the PUCO to expedite rate decision. Why don't they tell us what the proposed 180 page plan calls for also. Why are they in a rush. Sounds like Osama.

Please explain this for me.

Thank You,

Ronald R Eureka
