COMPLAINT DESCRIPTION:

I strongly oppose the FirstEnergy request for a \$390 million increase in distribution charges that First Energy is asking the PUCO to "fast track" the approval by May 5 in Case No. 10-0388. This is on top of the \$137 million increase FirstEnergy received in distribution rates just 14 short months ago.

These requested increases are unreasonable and unaffordable - especially during this economic downturn. I strongly urge the PUCO to closely examine and reject this increase and represent and support the Public Interests as suggested by the very title of PUCO - PUBLIC Utilities Commisinsin of Ohio.

Tim Stahlberg
