Docketing Case No.: 10-0176-EL-ATA

Notes: I am very concerned about the excessive rate increases from First Energy. My home electric bill has been dramatically affected as has the business where I work. I am the director of operations for the Lodge at Geneva State Park and we have spent \$35,000 more than anticipated the first 3 months on 2010 on electric usage--but our consumption hasn't increased to justify the additional costs--it all seems to be directly related to this First Energy increase. I would greatly appreciate your help in this for the sake of many utility customers in our area. Thank you!
