He/She is the PRESIDENT (Office of Affiant) of INDEPENDENT ENERGY CONSULTANTS (Name of Applicant);

That he/she is authorized to and does make this affidavit for said Applicant,

1. The Applicant herein, attests under penalty of false statement that all statements made in the application for certification renewal are true and complete and that it will amend its application while the application is pending if any substantial changes occur regarding the information provided in the application.
2. The Applicant herein, attests it will timely file an annual report with the Public Utilities Commission of Ohio of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Division (A) of Section 4905.10, Division (A) of Section 4911.18, and Division (F) of Section 4928.06 of the Revised Code.
3. The Applicant herein, attests that it will timely pay any assessments made pursuant to Sections 4905.10, 4911.18, or Division F of Section 4928.06 of the Revised Code.
4. The Applicant herein, attests that it will comply with all Public Utilities Commission of Ohio rules or orders as adopted pursuant to Chapter 4928 of the Revised Code.
5. The Applicant herein, attests that it will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the Applicant.
6. The Applicant herein, attests that it will fully comply with Section 4928.09 of the Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The Applicant herein, attests that it will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
8. The Applicant herein, attests that it will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
9. The Applicant herein, attests that it will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the Applicant will provide, the Applicant herein, attests that it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio. (Only applicable if pertains to the services the Applicant is offering)

11. The Applicant herein, attests that it will inform the Commission of any material change to the information supplied in the renewal application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating customer complaints.

That the facts above set forth are true and correct to the best of his/her knowledge, information, and belief and that he/she expects said Applicant to be able to prove the same at any hearing hereof.

**Exhibit A-10 "Corporate Structure"**

Independent Energy Consultants, Inc. has two full-time employees, four part-time employees and two contractors who provide administrative and information technology support. The office address is 820 Deepwoods Dr. Aurora, OH 44202. The corporation does not have any affiliates and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. The corporation seeks to outsource key functions where possible. It has and will hire additional contractors/employees for special projects or when the need arises.

**Exhibit B-1 “Jurisdictions of Operation”**

Independent Energy Consultants, Inc. is certified by the Public Utilities Commission of Ohio to provide brokerage and aggregation services of natural gas and electricity throughout all deregulated areas of Ohio. They are similarly licensed in Virginia by the Virginia State Corporation Commission to provide brokerage and aggregation services of natural gas and electricity. Independent Energy Consultants, Inc. is also registered by the Public Utilities Commission of Texas as an Aggregator of Electric.

### **Exhibit B-2 "Experience & Plans"**

**Contract Services:** With the aid of its legal counsel, Independent Energy Consultants, Inc. has developed a standard professional services agreement that it will use with its clients. It will also use the respective commodity suppliers' "Independent Agent Agreements" when brokering deals between suppliers and commercial and industrial customers.

**Billing Statements:** Independent Energy Consultants, Inc. brokers energy contracts for Commercial and Industrial customers and designs and implements Governmental Aggregation programs. In the process it never takes title to electricity, so there is no billing for the commodity. Independent Energy Consultants does provide invoices to its clients for consulting services rendered using a commercially available accounting system.

**Customer Service Experience:** Independent Energy Consultants, Inc. is currently administering Electric and/or Natural Gas Governmental Aggregation programs that impact a combination of over 100 Ohio communities. Independent Energy Consultants also provides brokerage service to many commercial and industrial customers outside of aggregation programs. Most questions and calls were answered immediately, and all were responded to within 24 hours of receipt. Customer service often came in the form of assisting residents who had contacted their local government and/or Choice supplier and who still had questions or disputes.

Frequent communication with and detailed quarterly reports to governmental aggregators was used as a customer service technique to head off problems before they arose. This involved training of municipal personnel and preparation of material such as Frequently Asked Questions (FAQs), press releases and conducting informational town hall meetings.

**Customer Complaints and Inquiries:** Independent Energy Consultants, Inc. has helped facilitate the resolution of numerous customer complaints. Virtually all of the questions and complaints, however, concerned matters involving the local utility and/or the supplier of choice.

Inquiries directed to Independent Energy Consultants, Inc. usually pertain to the customers seeking advice on the aggregation process, deciding whether or not to accept an offer, help understanding utility bills, etc.

Customer complaints or inquiries can be made in a number a ways. Customers may contact Independent Energy Consultants, Inc. by:
