Docketing Case No.:10-176-EL-ATA

Notes:Case # 10-176 All-Electric Home owners discount [original]. DO THE RIGHT THING RESTORE THE ORIGINAL DISCOUNT TO ALL ELECTRIC HOMES PERMANENTLY AND FOREVER. Do not allow FE arrogance to cancel a contract written and verbal after 34 years to a group of buyers FE created. FE must be held responsible and they must pay [FE] for this small group of over 100000 homes out of their own pocket. If you create a group dependent on your product and your a monopoly you can not have a breach of contract 34 years later because these people have no alternative. FE has 1.9 million customers in OHIO. Approximately 100000 homes will not financially break them but it could these older home owners.
