Docketing Case No.: 10-0388-EL-SSO

Notes:

Re:CASE NO 10-0388 We resided in the all electric home at the above location for the past 33 years. When we build thie house we have been promissed by The Illuminating Company a low all electric rate for ever. Now the electric company came through with unresonable and unaffordable rates. We are outraged. We are strongly oposed to the extortion perpetrated the electric company on the home owners of the all electric homes.We are oppsed to the \$390 million increase in distribution rates.
