Docketing Case No.: 10-0176-EL-ATA

Notes: I would request this mailing be filed in the docket for case # 10-176 for the all-electric case, and Case # 10-388 for the \$390 million distribution case.

Again, I write to request that rates be adjusted for all electric homes, and that the property should be used as the metric in relief and not be restricted by dates and relationship status established after 2007.

Your consideration is greatly appreciated, since most of us rely on these homes being part of our retirement equity.

Sincerely,
Steve L Conklin

Please docket the attached in the case number above.
