Docketing Case No.: 10-0176-EL-ATA

Notes: Re:Docket Case #10-176: I purchased my all-electric home in 1977 with the understanding that a discounted rate for such homes would be permanent. I am now retired and looking at the possibility that the discount will be discontinued. This will result in 1) a significant and burdensome increase in my rate, and 2) will seriously impact my ability to sell my 2-story home should I find it necessary to do so as my wife and I continue to age. I ask that you not only require The Illuminating Company to permanently role back it's all-electric home rate and make it permanent (for the life of the house), but also require them to reimburse me for the increase billed over the past few month.

Please docket the attached in the case number above.
