Notes:

Please docket the following in the case number above. Thank you.

COMPLAINT DESCRIPTION:

Notes: This is in regard to case number 10-0176. I am writing to you as a trustee in a 199 all electric home community. Please do not let the residential distribution credit be rescinded. We all live in an all electric home, most are retired, and we can't believe that First Energy was allowed to break their promise to give us the discounts that were promised when these homes were built in the early 1990's. It isn't just the sharp increase in rates that disturb us, it is also that the new exorbitant rate will drive down the value of our homes. Please stop First Energy's effort to punish us for their greed. Thankyou, William Bruton, Olympia Trustee
