Senator Timothy J. Grendell
Senate Building
Columbus, Ohio

Senator Grendell,

We currently own an all electric home in Strongsville, Ohio. When we purchased the home 5 years ago we were told the electric rate discount was in perpetuity. As of January 2010 our electric bill has soared 70/75%. Like a lot of people we are retired and on a fixed income.

With this type of power bill, it will be impossible to sell the house.

Please include our names in the Class Action Suite filed against First Energy/ The Illuminating Co.
Case No. 10-176-EL-ATA.

Thank You.
