Senator Timothy J. Grendell  
Senate Building  
Columbus, OH 43215

April 9, 2010

Senator Grendell,

I currently own an all electric home in Strongsville, Ohio. When my wife and I purchased the home around 20 years ago we told the electric discount was in perpetuity. In January, 2010, my electric bill was increased by 70 - 75%. My wife passed away last November and I'm retired and living on a fixed income.

With these high power payments it would currently discourage anyone from buying my house.

Please add my name in the Class Action Suite filed against First Energy/The Illuminating Co. Case No. 10-176-EL-ATL

Thank You,

  
Vernon J. Rolland
