Senator Grendell,

We (I) currently own an all electric home in Strongsville, Ohio. When we (I) purchased the home 25 years ago we were told the electric rate discount was in perpetuity. As of January, 2010 our (my) electric bill has soared 70/75%. Like a lot of people, we (I) am retired and on a fixed income.

With this type of power bill, it will be impossible to sell the house.

Please include our (my) names(s) in the Class Action Suite filed against First Energy/The Illuminating Co. Case No. 10-176-EL-ATA

Thank You
