ILLUMINATING CO. v. PUCO
PUBLIC UTILITIES DIVISION OF OHIO

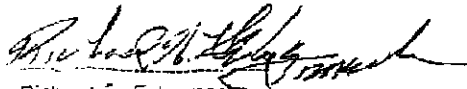

10-176-EL-ATA

PUCO,

We currently own an all electric home in Strongsville, Ohio. When we purchased the home in October of 1997 we were told that the electric rate discount was in perpetuity. As of January, 2010 our electric bill has soared 70/75%. Like a lot of people, we have been retired for 21 years and on a fixed income. With the economy being what it is and the housing market in a deep dive, it would be impossible to sell this house.

To us, this is a classic example of corporate greed and political indifference. Please add our names to the Class Action Suite filed against First Energy/ The Illuminating Co. Case No. 10-176-EL-ATA

Thank You
