Docketing Case No.: 10-0176-EL-ATA

Notes: I just read a news article that states the governors letter to PUCO for a permanent discount rate that would include ALL all-electric homes. I was effected by this mess when my electric account was taken out of my name without my knowledge or permission. Governor's Strickland's stand to reinstate the all-electric rate on a permanent basis is fair and needs to be activated immediately!

Please support this issue as it certainly does have a major impact on other issues i.e. property values. Thank you

Linda Randall
