Docketing Case No.: 10-388-EL-SSO

Notes: I am writing to protest the newly requested 390 million distribution rate increase requested by First Energy (case 10-388-EL-SSO). The PUCO needs to rein in these increases so that First Energy can live within its means as its customers do.

As an all electric homeowner, restoring our rates will be meaningless if the new rate increase is permitted.

Please docket the attached in the case number above.
