PUBLIC UTILITIES COMMISSION OF OHIO

To Whom It May Concern,

I currently own an all electric home in Strongsville, Ohio. When I purchased the home 24 years ago, we were told the electric rate discount was in perpetuity. Since then, my husband passed away and my income is the only one available. As of January, 2010, my electric bill has soared 70/75%. Like a lot of people, I am retired and on a fixed income. With this type of power bill, it will be impossible to sell the house.

Please include my name in the Class Action Suit filed against First Energy/The Illuminating Co, Case No 10-176-EL-ATA.

Thank you,
