4/18/10

My husband and I are not happy about First Energy wanting to raise rates Quarterly. First the light bills now this. How are people suppose to live. Everything raising but our SS. I don't get a discount every time my power goes out, which is several time a year. From what I've read we pay a higher rate in this area then a lot of state do. I'd write more but you get the point.

Sincerely
Mary + Gary Selman
Southington, Oh.
