Docketing Case No.: 10-0176-EL-ATA

Notes: We have been hearing about drastic rate increases in all Electric houses. We have been conservative consumers and have done all that we can to use as little energy as possible. We do not want an increase at all. We are seniors and will be on fixed income in the near future. We are also Realtors and will have a terrible time helping our clients who have electric houses to sell their houses. We have told so many people about all electric house and how efficient and clean they are. Please, be considerate of this economy; we are all struggling to keep the bills paid. Thank you.
