RECEIVED-DOCKETING DIV  
2010 APR 27 PM 2:00

Docketing Case No.: 10-0176-EL-ATA

Notes: I'm an all electric home and as you are aware I got the shaft when First energy removed the all electric rate. Under no circumstance should First Energy be allowed to raise their rates yet again. It is getting to the point were the average home owner has to work just to pay their energy costs & put food on the table. This ia becoming a great injustice. Thankyou, Warren
