Senator Grendell,

We (I) currently own an all electric home in Strongsville, Ohio. When we (I) purchased the home — years ago we were told the electric rate discount was in perpetuity. As of January, 2010 our (my) electric bill has soared 70/75%. Like a lot of people, we (I) am retired and on a fixed income. With this type of power bill, it will be impossible to sell the house.

Please include our (my) names(s) in the Class Action Suite filed against First Energy/The Illuminating Co. Case No. 10-176-EL-ATA

Thank You
