Docketing Case No.:10-0176-EL-ATA

Notes:

Thank you for your response, however, your response does nothing to aid or help me gain back the discount that was promised to me upon purchase of my home. I find it absolutely degrading to all of us who trusted the promise. I would understand if you changed the ruling on new purchases but most of us purchased this because of the promise. Now, as we are closing in on retirement you slap us in the face once again. We have to have electricity to live. So when we retire, you are telling me that we can have electricity (not at the promised rate) but we cannot afford to eat. Thank you for your kind thoughts for the aging.
