Class Action Suit against First Energy/Illuminating Co.
Case No. 10-176-EL-ATA

Dear Mr. Patton:

Please be advised that I want to be included in any class action or legal action required to protest the recent increases in our electricity rates.

When we purchased/built our all electric home in Meadowood/Timber Oak Court we were guaranteed there would be no increase in rates during the life of the home..

Therefore, I authorized legal action to require First Energy and the Cleveland Illuminating Company to abide by the rate guarantee represented to us when we contracted with Bob Schmitt to build our home.

Thank you for all you are doing for us,

Mary Hill
