Case No. 10-340-EL-CSS

JOINT MOTION FOR CONTINUANCE OF SETTLEMENT CONFERENCE

Pursuant to Rule 4901-1-13 and other applicable law, Complainant C. Richard Smith and Respondent Ohio Edison Company jointly move for a continuance of the prehearing settlement conference currently scheduled for June 7, 2010. Because counsel for Complainant was only recently retained, and because counsel's schedule does not allow him to attend the conference on June 7, that date poses a hardship for Complainant. No party will be prejudiced by continuance of the settlement conference, and the interests of justice will be well-served if the conference is continued. The parties also state that they have begun discussions regarding the case and possible settlement. The parties therefore respectfully request that the settlement conference be continued and rescheduled to occur on any day during the week of July 26, 2010.
