QUESTION DESCRIPTION:

Please log these questions under Docket #10-176. Where is the PUCO in regard to their report on the all-electric issue? When will the PUCO make their permanent solution recommendation? When and where will the public hearings be held concerning the recommendations? We only built an all-electric home because of the enticements given to us by First Energy. Please make sure First Energy absorbs the cost of the discount. They are the ones who reneged on the agreement not the public.
