Docketing Case No.: 10-0176-EL-ATA

Notes: 1) What is the status of the PUCO report on the All-Electric issue? 2) When will the PUCO have a permanent solution recommendation and will it be prior to September 30? 3) When and where will the public hearings be on the All-Electric issue? 4) You MUST consider the broken promises and builder enticements FirstEnergy made when deciding on the permanent solution and who will pay for the discount. It is NOT out of your "jurisdiction." The PUCO must consider the broken promises so they can use that as evidence to make FirstEnergy pay part or all of the discount. This case is in the docket under Case # 10-176 so it becomes an official part of the record:

Please docket the attached in the case number above.
