Re: *In the Matter of the Application of Duke Energy Ohio, Inc. to True-Up and Set the Annually Adjusted Component of its Standard Service Offer*
 Case No. 10-518-EL-RDR

Dear Ms. Jenkins:

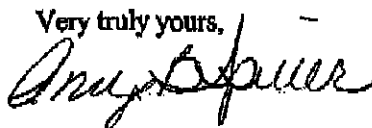

On April 16, 2010, Duke Energy Ohio, Inc. (Duke Energy Ohio or Company) filed an Application to True-Up and Set the Annually Adjusted Component of its Standard Service Offer (Application). The procedural schedule pursuant to which this matter would progress was set forth in an Entry dated May 18, 2010. In relevant part, this Entry provided for comments on the Application to be filed by June 2, 2010. The procedural schedule further contemplated the submission of testimony and a hearing in the event all issues raised in the comments were not resolved.

Staff of the Public Utilities Commission of Ohio filed comments on June 2, 2010. Duke Energy Ohio agrees with these comments. And as no other comments were timely filed, there are no unresolved issues. As such, it is Duke Energy Ohio's belief that testimony need not be filed in respect of comments on the Application. Further, as there are no outstanding issues, the Company submits that a hearing on July 7, 2010, may not be necessary.

Duke Energy Ohio acknowledges the remaining date set forth in the Entry, which references a filing to be made on July 6, 2010. The Company will comply with this date and sends this correspondence only to clarify its intent not to file testimony addressing unresolved issues as no such issues exist and to express its belief that, as a result, a hearing is not necessary.

Should you have any questions or comments regarding this matter, please do not hesitate to contact me.

Very truly yours,

Amy B. Spiller
