CAVALIER CUSTOMER NOTICE

After developing a system last year to deliver invoices via Email attachment, Cavalier is encouraging customers to receive bills in electronic form as a way to reduce the impact on our environment. This is an opportunity to significantly reduce tens of thousands of pages mailed each month, which has not only an environmental benefit, but also allows Cavalier to continue to provide you services at the best possible prices.

Effective July 1, 2010, Cavalier will switch its preferred method of billing business customers to electronic delivery. Invoices are presently available electronically in a format which can be easily printed. For your convenience, we will continue to offer business customers the option to receive paper invoices through the mail; however, after July 1, 2010, this service will have a monthly fee of \$3.95.

If you would like to set up your account to receive invoices electronically and avoid this monthly fee, please contact Customer Care at 800-291-9699, or online at <https://www.cavtel.com/cavconnect>. Customers who are new to the website portal will have to set up their account and create a log-in on their first visit.
