QUESTION DESCRIPTION:

These questions should be logged under Case #10-176..... I would like to know the status of the all-electric issue.. When will PUCO have the permanent solution recommendation? Will it be before Sept. 30? We want to know when and where the public hearings will be on this all-electric issue? We would like to attend.. PUCO needs to consider the broken promises and also the enticements made to builders. This evidence seems important to this issue and certainly should be considered. THANK YOU...
