Senator Grendell,

I currently own an all electric home in Strongsville, Ohio. When I purchased the home 19 years ago. We were told the electric rate discount was in perpetuity. As of January, 2010 my electric bill has soared 70/75%. I am now retired and on a fixed income. With this type of power bill, I will be unable to sell my house.

Please include my name in the Class Action Suite filed against First Energy/ The Illuminating Company Case No: (10-176-EL-ATA.)

Thank You!
