CUSTOMER NOTICES

The following customer notices have been, or are in the process of being sent, to customers. The bill insert is being mailed with June and July bills. The letter was mailed to customers during the month of May.

May 03, 2010

Dear [REDACTED]:

Your current local and/or long distance telecommunications providers (Intrastate, Interstate and/or International) are one or more of the following: Verizon North, Inc.; Verizon Northwest, Inc.; Verizon West Coast, Inc.; Cotel of the South, Inc.; Verizon California, Inc.; Verizon South, Inc.; Verizon Long Distance LLC and Verizon Enterprise Solutions LLC (collectively, "the Verizon Companies"). These companies have agreed to a transaction that will result in one or more wholly owned subsidiaries of Frontier Communications Corporation (collectively, "Frontier") becoming the service provider for their local and long distance customers, like you, in Arizona, Idaho, Illinois, Indiana, Michigan, Nevada, North Carolina, Ohio, Oregon, South Carolina, Washington, West Virginia, Wisconsin, and portions of California bordering Arizona, Nevada and Oregon. This transaction requires approval by state and federal regulatory authorities, including the state telecommunications regulatory agencies in the states listed above and the Federal Communications Commission. This notice is being sent prior to the receipt of all regulatory approvals in order for us to comply with customer notification requirements.

Should the required state and federal regulatory approvals be obtained, we currently anticipate that the transaction will close late in the second quarter of 2010, but the closing could occur later. Unless you elect to use a service provider other than one of the Verizon Companies prior to the closing date, Frontier will automatically become your service provider for any services you currently receive from the Verizon Companies, including local and long distance services but not including wireless services. If Frontier becomes your service provider, Frontier will continue your service at no cost to you and your local telephone number will NOT change. Frontier is looking forward to welcoming you as a valued customer and will communicate directly with you as soon as the terms of this transaction allow so that you can learn more about the company and their products and services.

If a Verizon Company is not your local service provider, then the proposed transaction with Frontier will not affect your local carrier selection. If a Verizon Company is not your long distance service provider, then the proposed transaction with Frontier will not affect your long distance carrier selection.

You always have the right to select another provider for local and long distance services, if you wish to do so and another provider is available. This decision is entirely up to you, and you may choose to switch to another carrier for one or more of these services either before or after this proposed change from the Verizon Companies to Frontier. There will be no carrier change charge assessed on customers for the change to Frontier. However, selecting a carrier other than Frontier may result in a carrier change charge to you.

If you have arranged an intrastate, interstate and/or international preferred carrier freeze on one or more of the services involved in this transaction, the freeze will be removed in order to transition your service to Frontier (except as to any services for which you have selected a carrier other than Frontier), and in such case, you must contact your local carrier (whether Frontier or another telephone company you have selected) after the closing, in order to re-establish a preferred carrier freeze.

Upon completion of the proposed transaction, Frontier will offer local, toll and long distance telecommunications services to you under the same rates, terms and conditions offered by the Verizon Companies prior to the closing. If, in the future, there are any changes to the rates, terms or conditions of your service, Frontier will notify you by mail or in your bill. Frontier values your continued business and will gladly respond to any questions you may have about your service after the closing.

Until the actual closing date, the Verizon Companies will continue to be responsible for all customer service inquiries, complaints, billing issues and questions regarding this notice. You should contact your Verizon Company representative toll-free at 1.888.386.7211. After the closing date, you should refer your questions regarding this notice or your account to Frontier toll-free at 1.877.578.4111. Business customers can also contact their Verizon Company account manager prior to the closing. We appreciate your understanding and support during this transition period.

The Verizon Companies and Frontier thank you for your business.

Sincerely,

The Verizon Companies
Frontier Communications Corporation

The Verizon logo, consisting of a checkmark symbol and the word "verizon", is followed by the Frontier logo, which includes the word "frontier" and "communications" in smaller text below it.

New provider. Same great services.

Beginning on or after **June 30, 2010**, Frontier Communications will become your full service telecommunications provider, including voice, data and, in many areas, video services* you currently receive through Verizon Communications. We want to assure you that our goal is to prevent any disruptions in your service. The change in service provider will happen automatically.

We value your business and look forward to serving you.
