JOINT LIST OF ISSUES

Pursuant to Finding 4(b) of the May 6, 2010 Entry of the Administrative Law Judge, Heartland Wind, LLC ("Heartland" or "Applicant") and the Ohio Farm Bureau Federation ("Farm Bureau") are required to submit a list of issues that they anticipate pursuing cross-examination at the evidentiary hearing. Heartland has provided the Ohio Power Siting Board Staff with a list of issues pertaining to the conditions in the June 23, 2010 Staff Report, and set up a formal meeting to discuss those issues. At this time, Heartland and the Farm Bureau believe that it is likely that a stipulation will be reached. For that reason, the Heartland and the Farm Bureau make this joint submission to the effect that at this time they have not identified any potential issues for cross-examination. However, Heartland and the Farm Bureau reserve the right to supplement this filing should a stipulation not be reached.

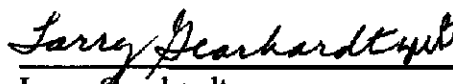

Respectfully submitted,

HEARTLAND WIND, LLC
