Re: Case No. 10-878-EL-REN  
Malcolm Rd. Cattle Farm  
Response to Staff Data Requests/Update to Application

Dear Ms. Jenkins:

Please find attached a copy of the response of the Applicant to the Staff Data Requests 1-3.

In addition, please note that we are modifying Section K of the June 23, 2010 Application. Also attached is a copy of that Section of the Application which should supersede the version of Section K that we filed on June 23, 2010.

Thank you in advance for your cooperation.

Sincerely yours,

Stephen M. Howard  
Attorneys for Hord Livestock Company, Inc.

**Case No. 10- 878-EL-REN  
Malcolm Rd. Cattle Farm  
Staff Interrogatories – Initial Set**

Question 1: In Section A of the application, please provide the latitude and longitude for the renewable generating facility.

Answer 1: < 40 deg 43.879', 083 deg 0.999' >

Question 2: In Section N you have provided meter information and photos of two separate utility meters (serial numbers 40922329 and 40922331). Please report the total meter reading for *each meter* at the time the photographs were taken. Be sure to identify which meter you are reporting for and the date the photographs were taken.

Answer 2: < Meter# 40922329: 5/13/2010, 1 kWhr. Meter # 40922331: 5/13/2010, 2 kWhrs.>

Question 3: In Section O, please provide the specific start date that you will use to report generation output to the attribute tracking system and provide documentation of the specific generation output that will be reported. Documentation should demonstrate monthly output and can be presented in a spreadsheet or written material.

Answer 3: <The starting reporting date for generation output will be 5/13/2010. The output that will be reported is shown in the attached photographs of the specific meters. The output is recorded monthly. The attached photos were taken 7/15/2010, and represent the total output generated since the start date of 5/13/2010. Meter 40923329: 2201 kWhrs. Meter 40922331: 2442 kWhrs. >

## Amended Section K of June 23, 2010 Application

---

### K. Attribute Tracking System Information

Are you currently registered with an attribute tracking system: \_\_\_\_ Yes  X  No

In which attribute tracking system are you currently registered or in which do you intend to register **(the tracking system you identify will be the system the PUCO contacts with your eligibility certification)**:

X  GATS (Generation Attribute Tracking System)

\_\_\_\_ M-RETS (Midwest Renewable Energy Tracking System)

\_\_\_\_ Other (specify):

**K.1.** Enter the generation ID number you have been assigned by the tracking system:

*If the generation ID number has not yet been assigned, you will need to provide this number to the PUCO within 15 days of your facility receiving this number from the tracking system).*
