COMPLAINT DESCRIPTION:

I am concerned ALL ELECTRIC homes are selling for significantly less than similar homes that are NAT. GAS a street away (same builder). Example, Cuyahoga County parcel 456-30-003 sold Mar 30 2010 \$145,500. One block away, same style home All Electric Parcel 456-27-013 sold July 19 2001 for \$147,900. Same home sold Dec 29 2009 for \$90,000. I have a split level and may someday have to sell to move to ranch on one level. I fear my home value will be similarly less due to it also is all electric. Please find a way to tie electric home discounts to the home permanently. If not please reduce our Cuy. County taxes to reflect the ill value. Thanks
