

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of Protocols for the )  
Measurement and Verification of Energy ) Case No. 09-512-GE-UNC  
Efficiency and Peak Demand Reduction )  
Measures. )

ENTRY

The attorney examiner finds:

- (1) Ohio Power Company, Columbus Southern Power Company, Duke Energy of Ohio, Inc., the Dayton Power and Light Company, the Toledo Edison Company, Ohio Edison Company, and the Cleveland Electric Illuminating Company (collectively, electric utilities) are public utilities, as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction and general supervision of the Commission, in accordance with Sections 4905.04, 4905.05, and 4905.06, Revised Code.
- (2) Columbia Gas of Ohio, Inc., the East Ohio Gas Company d/b/a Dominion East Ohio, Vectren Energy Delivery of Ohio, Inc., and Duke Energy of Ohio, Inc. (collectively, gas utilities) are public utilities, as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction and general supervision of the Commission, in accordance with Sections 4905.04, 4905.05, and 4905.06, Revised Code.
- (3) On June 24, 2009, the Commission issued an entry, establishing a procedure for the development of protocols for the evaluation, measurement, and verification of energy efficiency and peak demand reduction measures to be embodied in a Technical Reference Manual (TRM). In that entry, the Commission indicated that it would issue a request for proposal (RFP) for engineering consulting services to assist the Commission with the evaluation and initial determination of values and protocols for the TRM being developed in this proceeding. The entry also noted that the cost of engineering consulting services will be shared by the electric and gas utilities.
- (4) After completing the RFP process, the Commission selected Vermont Energy Investment Corporation (VEIC) to proceed

with Phases 1 and 2 of the TRM project, and subsequently additionally authorized VEIC to proceed with Phases 3 and 4.

- (5) Consequently, VEIC has prepared a draft TRM, which it wishes to present and discuss with interested stakeholders. Specifically, VEIC wishes to discuss its recommendations for residential and commercial and industrial (C&I) priority measures and C&I custom protocols, as well as residential and C&I non-priority measures and C&I protocols. Accordingly, the attorney examiner believes that a workshop should be held in order for interested parties to provide input to VEIC. Therefore, a workshop should be scheduled for August 10, 2010, at 1:00 p.m., at the offices of the Commission, 180 East Broad Street, 11<sup>th</sup> Floor, Hearing Room 11-B, Columbus, Ohio 43215. In order to facilitate discussion of the aforementioned issues, Staff is directed to distribute the draft TRM to parties of record by the close of business on August 6, 2010.

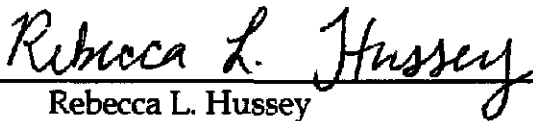

It is, therefore,

ORDERED, That this matter be scheduled for a workshop on August 10, 2010, at 1:00 p.m., at the offices of the Commission, 180 East Broad Street, 11<sup>th</sup> Floor, Hearing Room 11-B, Columbus, Ohio 43215. It is, further,

ORDERED, That Staff distribute the draft TRM to parties of record by the close of business on August 6, 2010. It is, further,

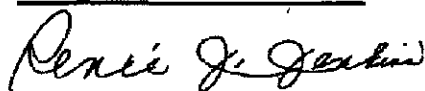

ORDERED, That a copy of this Entry be served upon all parties of record.
