Re: all-electric Discount

Dear Mr. Schreiber

my home is part of a 28 unit
condo building built in 1975, I have lived here over
30 years. The building is all-electric.

Most of the owners are seniors on fixed income.
There is no other supplier of electricity in our
area except First Energy, hence no competition.

We used to get a discount as originally offered
by First Energy which now plans to eliminate it, in
spite of earlier promises.

Gov. Strickland reinstated the discount but it will
expire and we will face very large winter heating
bills when that happens.

Please do what you can to help us!

Thank you,

Jeremiah T. Herlihy
